For 25 years Star Linen & Supply has been providing quality linen and related items, amenities, small appliances, disposable paper supplies and much more to the hospitality and healthcare industries throughout the world including the US General Services Administration (GSA).

Our commitment is to supply our customers with quality products, competitive pricing and unsurpassed customer service.

Ever-changing, we respond to the demands of the industry as well as plan for the future. As a result we have solidified our reputation as one of the leading manufacturers and suppliers to the lodging, health care and food service industries.

WHERE WE ARE

Our distribution centers are strategically located throughout the USA to provide you with the fastest service possible.

MISSION STATEMENT

Maintaining our dedication to the hospitality and health care industries, we will continue to improve our product quality, expand our capabilities, increase our efficiency, and elevate the superior level of customer service we now provide. Our commitment to our social responsibility to the environment and community at large enhances our ability to provide ethical, economical, and quality products to our customers.

OUR COMMITMENT TO GOING GREEN

For years now our industry has strived to create products that offer genuine solutions to environmental issues while working within the economic realities that we face every day. We are confident that we have achieved some of these long sought solutions through the introduction of Marquis Green, and other eco-friendly products. Moving forward, we will continue to seek out the highest quality, greenest, and most cost-effective products in the marketplace today.

PREMIER ONE™

Designed specifically to reduce interface pressure and maintain skin integrity. The entire cushion is made of Luratex™ foam. Luratex™ is a revolutionary patented high resilient aerated foam. The formulation allows air to pass through the foam to keep the patient cool, dry and comfortable. The Unitek™ stretch nylon cover is low shear and waterproof.

	Size	Case Pack

AIR-CELL CUSHION

The Air-Cell cushion is constructed of independent flexible interconnected air cells designed to immerse the patient to help disburse pressure evenly and increase blood flow to assist in the treatment and prevention of pressure sores. The waterproof, 4 way stretch cover provides low shear to help maintain sensitive skin tissue while the air pump will be used to adjust individual patient comfort. The non-skid bottom and adjustable strap offers additional security.
