about us

Amenity Innovations is a company devoted to providing high-quality, creative guest amenities at affordable prices. Whether you prefer a collection that stimulates your guest's senses or one of pure bliss, Amenity Innovations offers that and much more. Discover the new age of amenities, and **explore the possibilities** with us.

our products

At Amenity Innovations, we get it – a happy guest is a consistent guest, and we've got everything you need to make their stay feel like home. Whether you need a collection of amenities that brings out your guest's wild side, or a collection of classic appeal, we have it all. Amenity Innovations has numerous ensembles available at affordable prices.

why choose us?

All of Amenity Innovations' products are environmentally friendly with biodegradable contents and packaging.

We have nearly 30 years experience in the hospitality industry.

Exceptionally low minimums for custom orders.

Quickest turn-around time in the industry.

We continue to focus on a zero back-order operation.

Our sales, marketing and customer service team is the best in the industry. No lie.

We are confident that you will find an ensemble that fits your style and your budget.

We promise to make your amenity experience enjoyable. Guaranteed.
